# CREATIVE PORTOFOLIO

Hi, I'm Fabya Najwa Azhari a  
Creative Expert

I am a person with a hearing impairment who is hardworking, has a high sense of responsibility, has the spirit of a leader and is disciplined in time management. I am known as a critical thinker so that I am creative and innovative and like to try new things.

*My Recent*

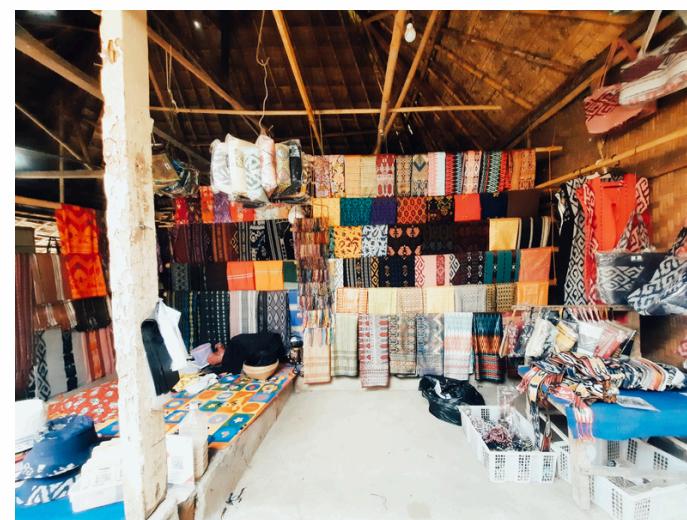

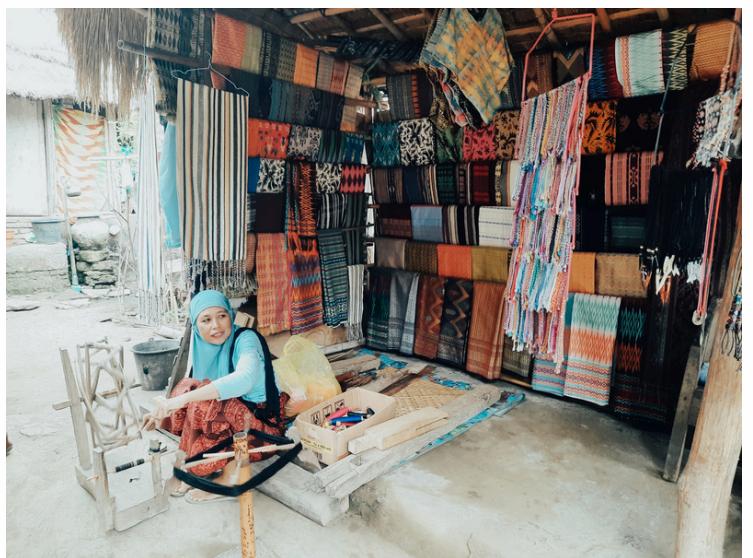

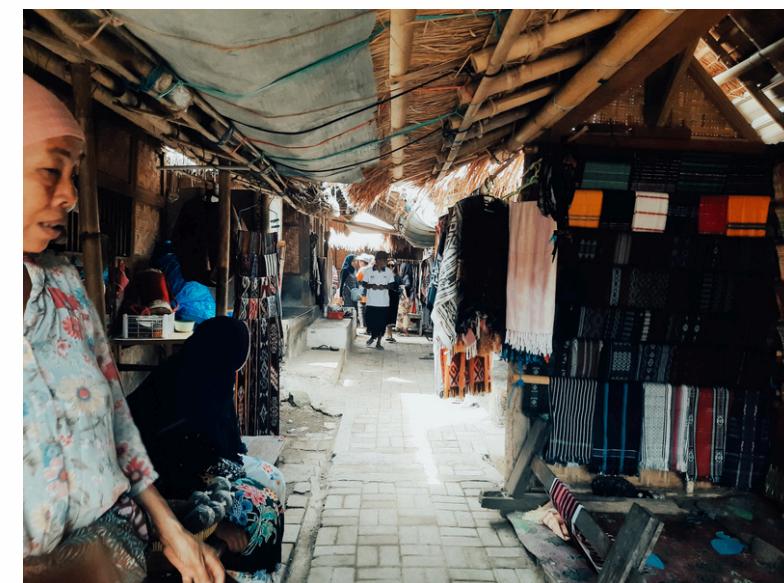

# PROJECT

# Photo- graphy.

2023

# West Nusa Tenggara

This is the overall result of photography in Lombok Indonesia which makes nature look beautiful. The people of lombok are called the "Sasak" tribe long enough to live there.

# Central Jawa - Semarang

The definition of Central Java geographically and culturally also includes the Special Region of Yogyakarta, which is still one territory with Central Java Province. Central Java is known as the centre of Javanese culture. Central Java is recognised as having ancient places with history .

## Cirebon

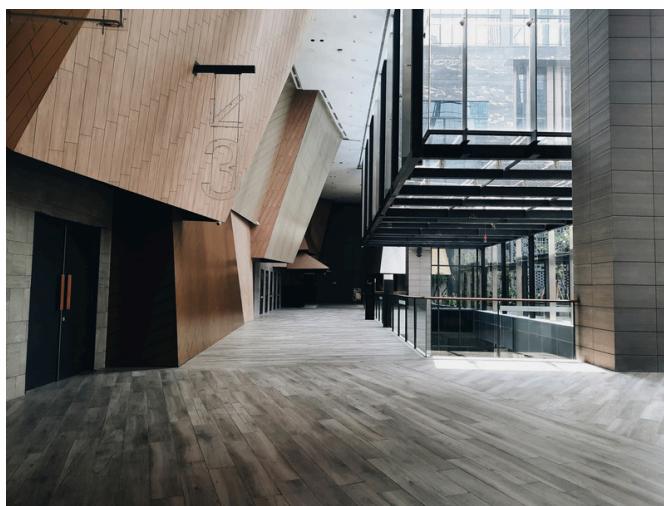

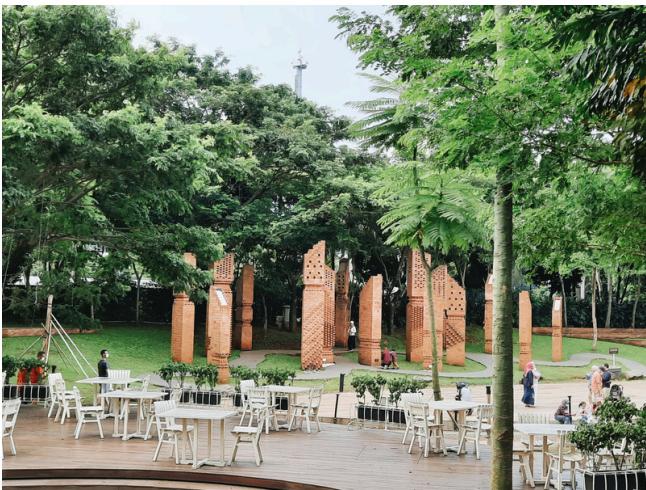

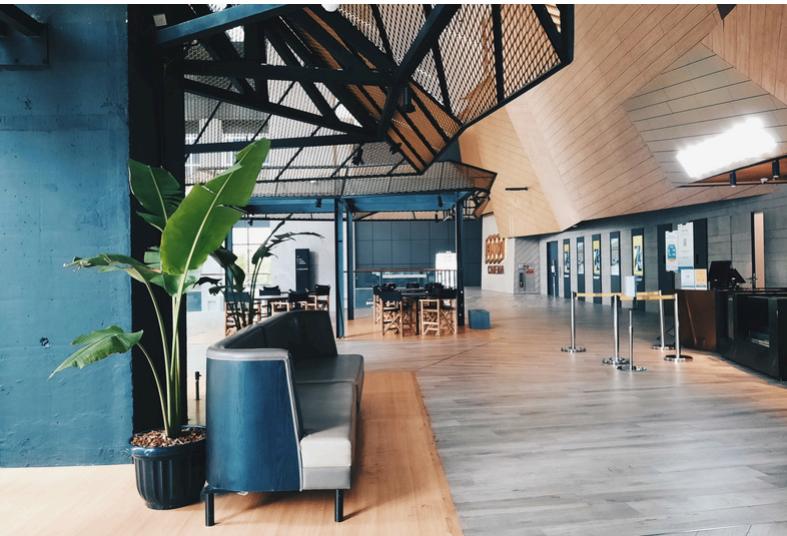

The photo was taken on the way from Semarang to Cirebon. This place used to be owned by the Dutch before being converted into a resting place.

# Jakarta

DKI Jakarta Province is divided into five Administrative City areas. It was once known by several names including Sunda Kelapa, Jayakarta, and Batavia.

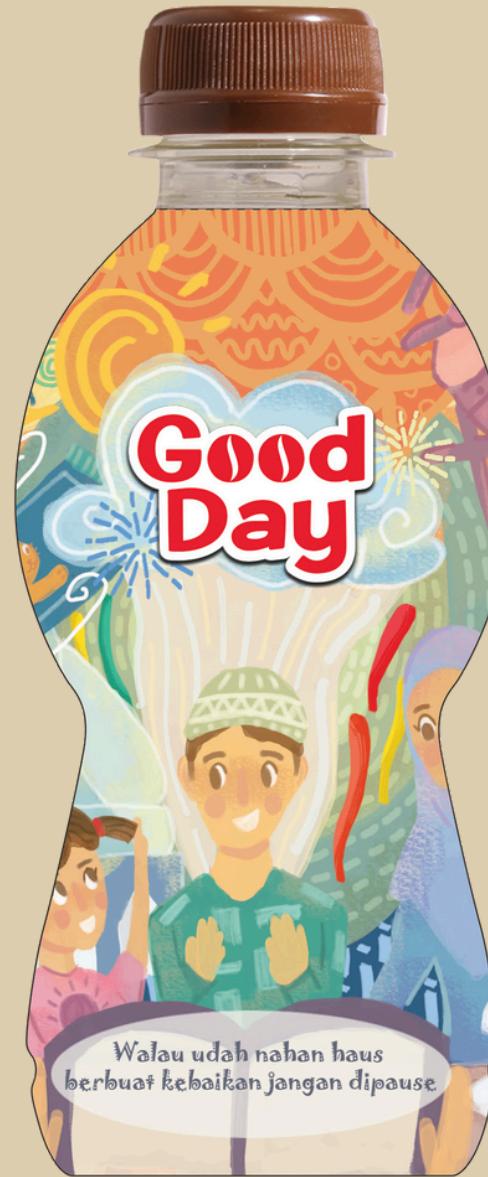

Internationally, Jakarta also has the nickname J-Town, or more popularly The Big Durian because it is considered a comparable city to New York City (Big Apple) in Indonesia.

# Product

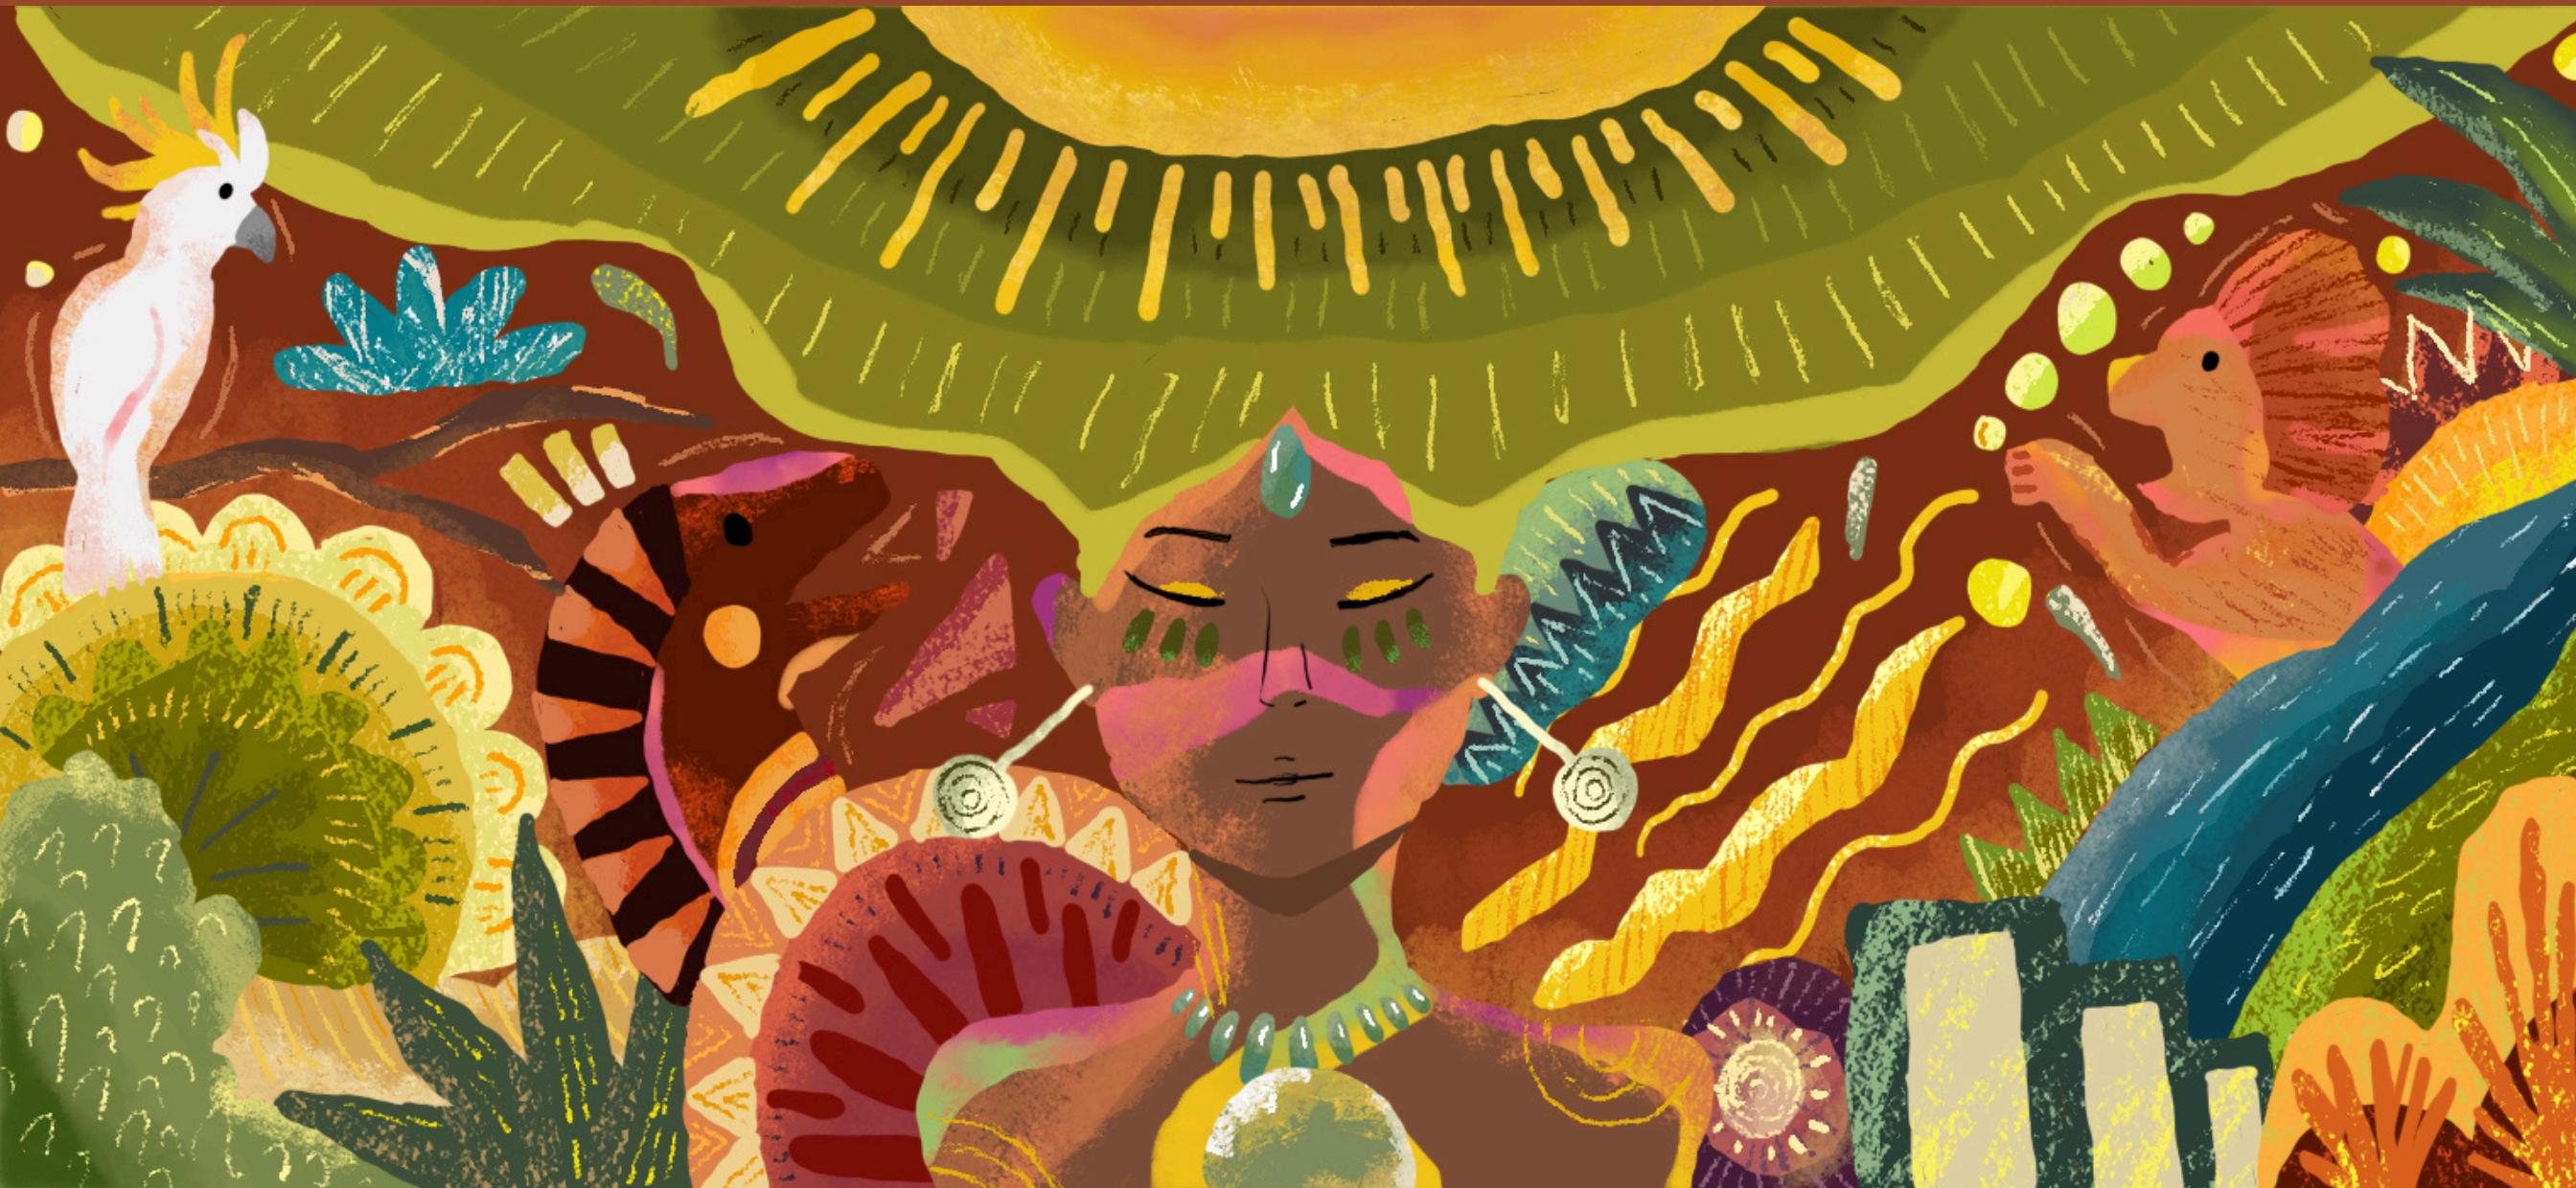

TEMPELKAN DESIGNMU DISINI

AREA DESIGN

This is a product designed by me that has entered the Good Day competition with the theme of Ramadan, but did not win. The design depicts an atmosphere of family fun.

# Background

This is the result of a fantasy-style depiction of the forces of nature. designed using Adobe Fresco

# Banner

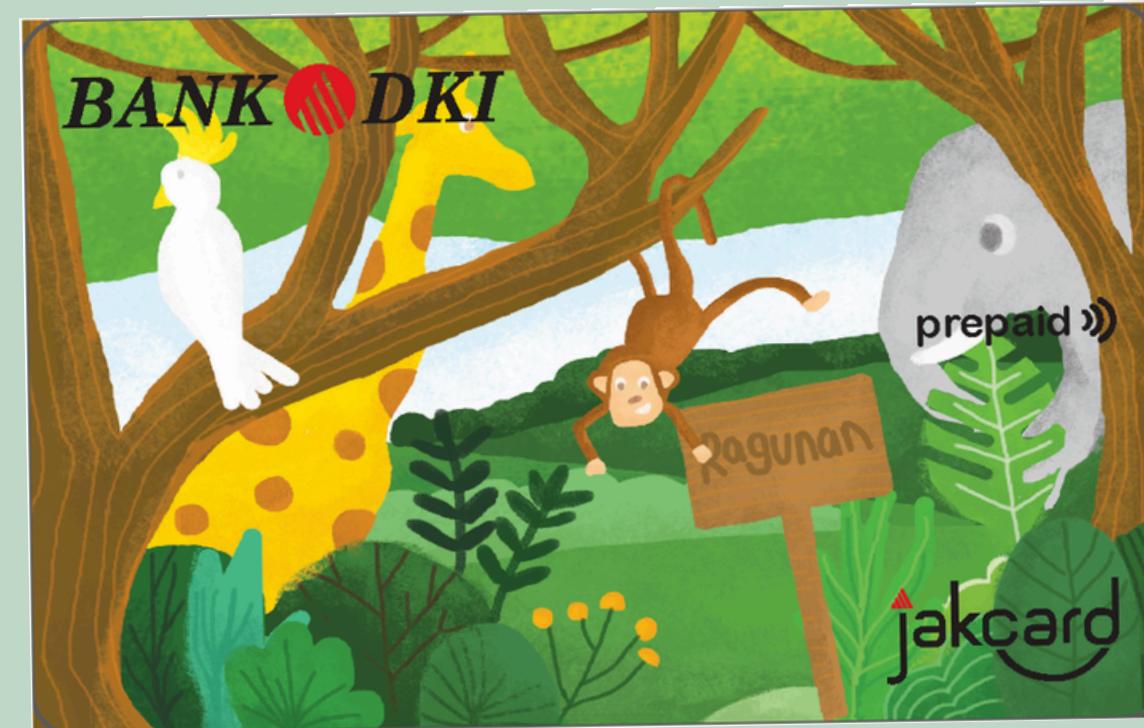

it depicts the feminine nature of the  
aura of womanhood used by Adobe  
Illustrator

# Character Design

can design various  
characters

# Card Design

this result I won the Bank DKI card competition using Adobe Photoshop

# Logo

use Adobe  
Illustrator

# COVID-19 pandemic poster

This is a book cover that depicts the content of living at home derived from a real-life family atmosphere.

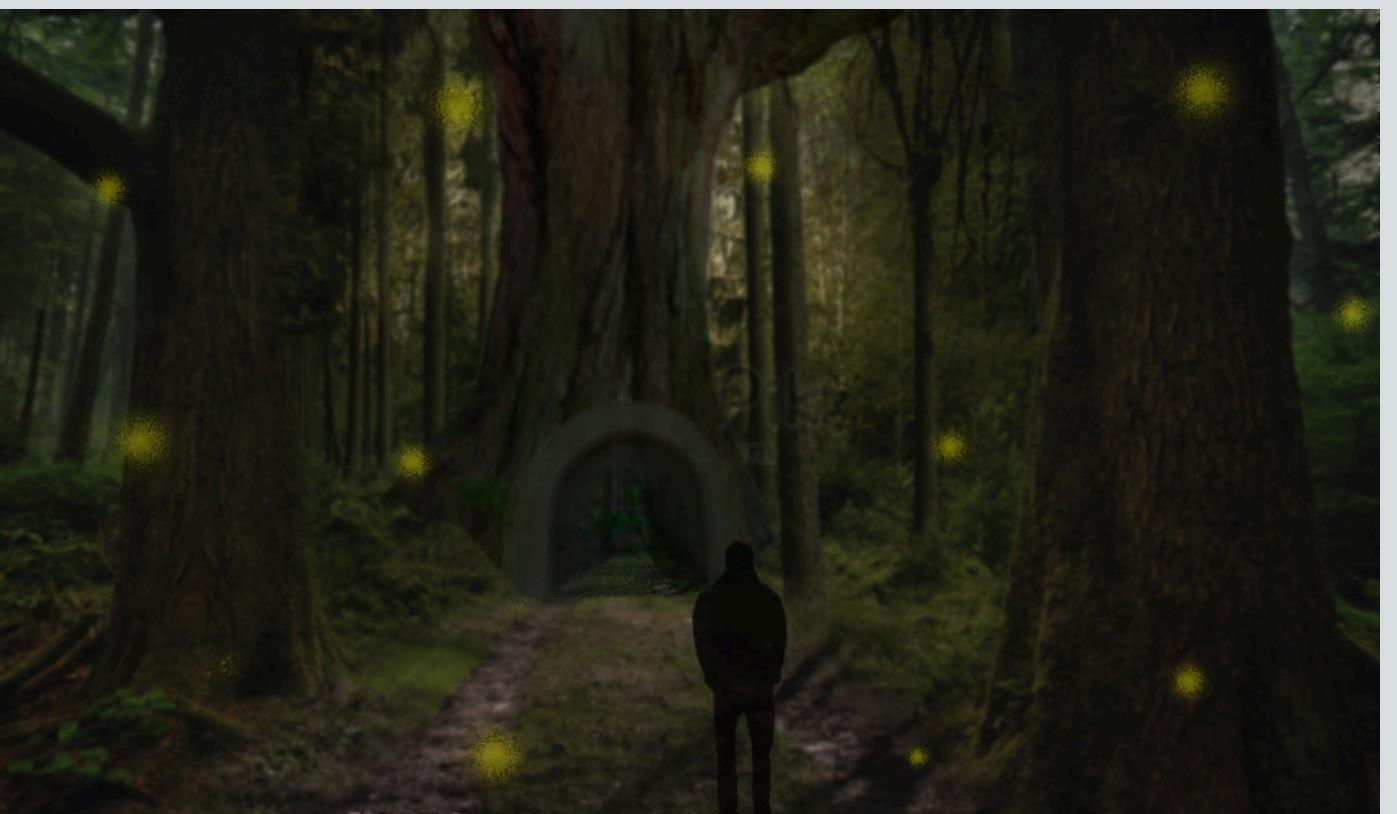

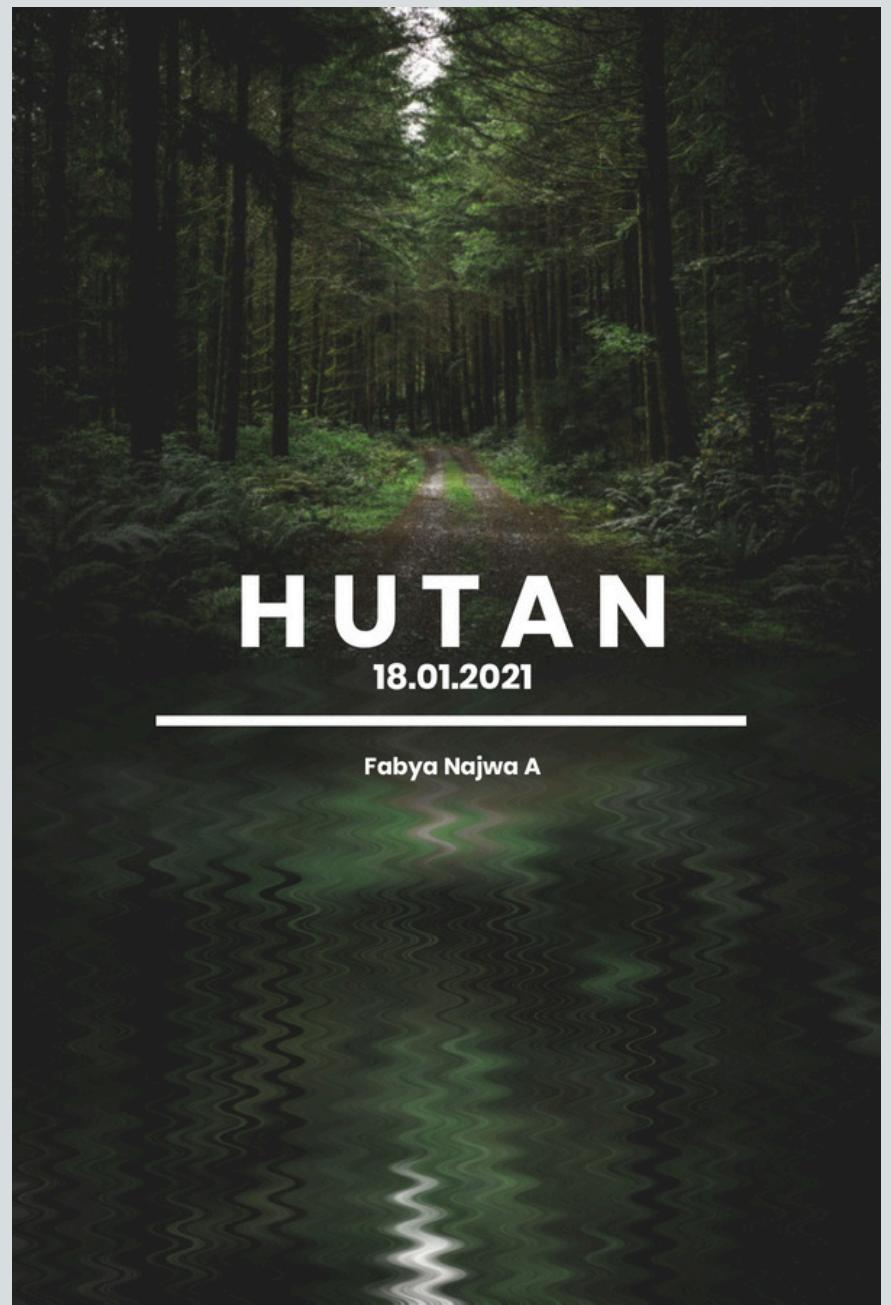

a thank you card to the doctors and other fighters working on the covid-19 virus

This illustrates the resilience of women during the Covid-19 pandemic.

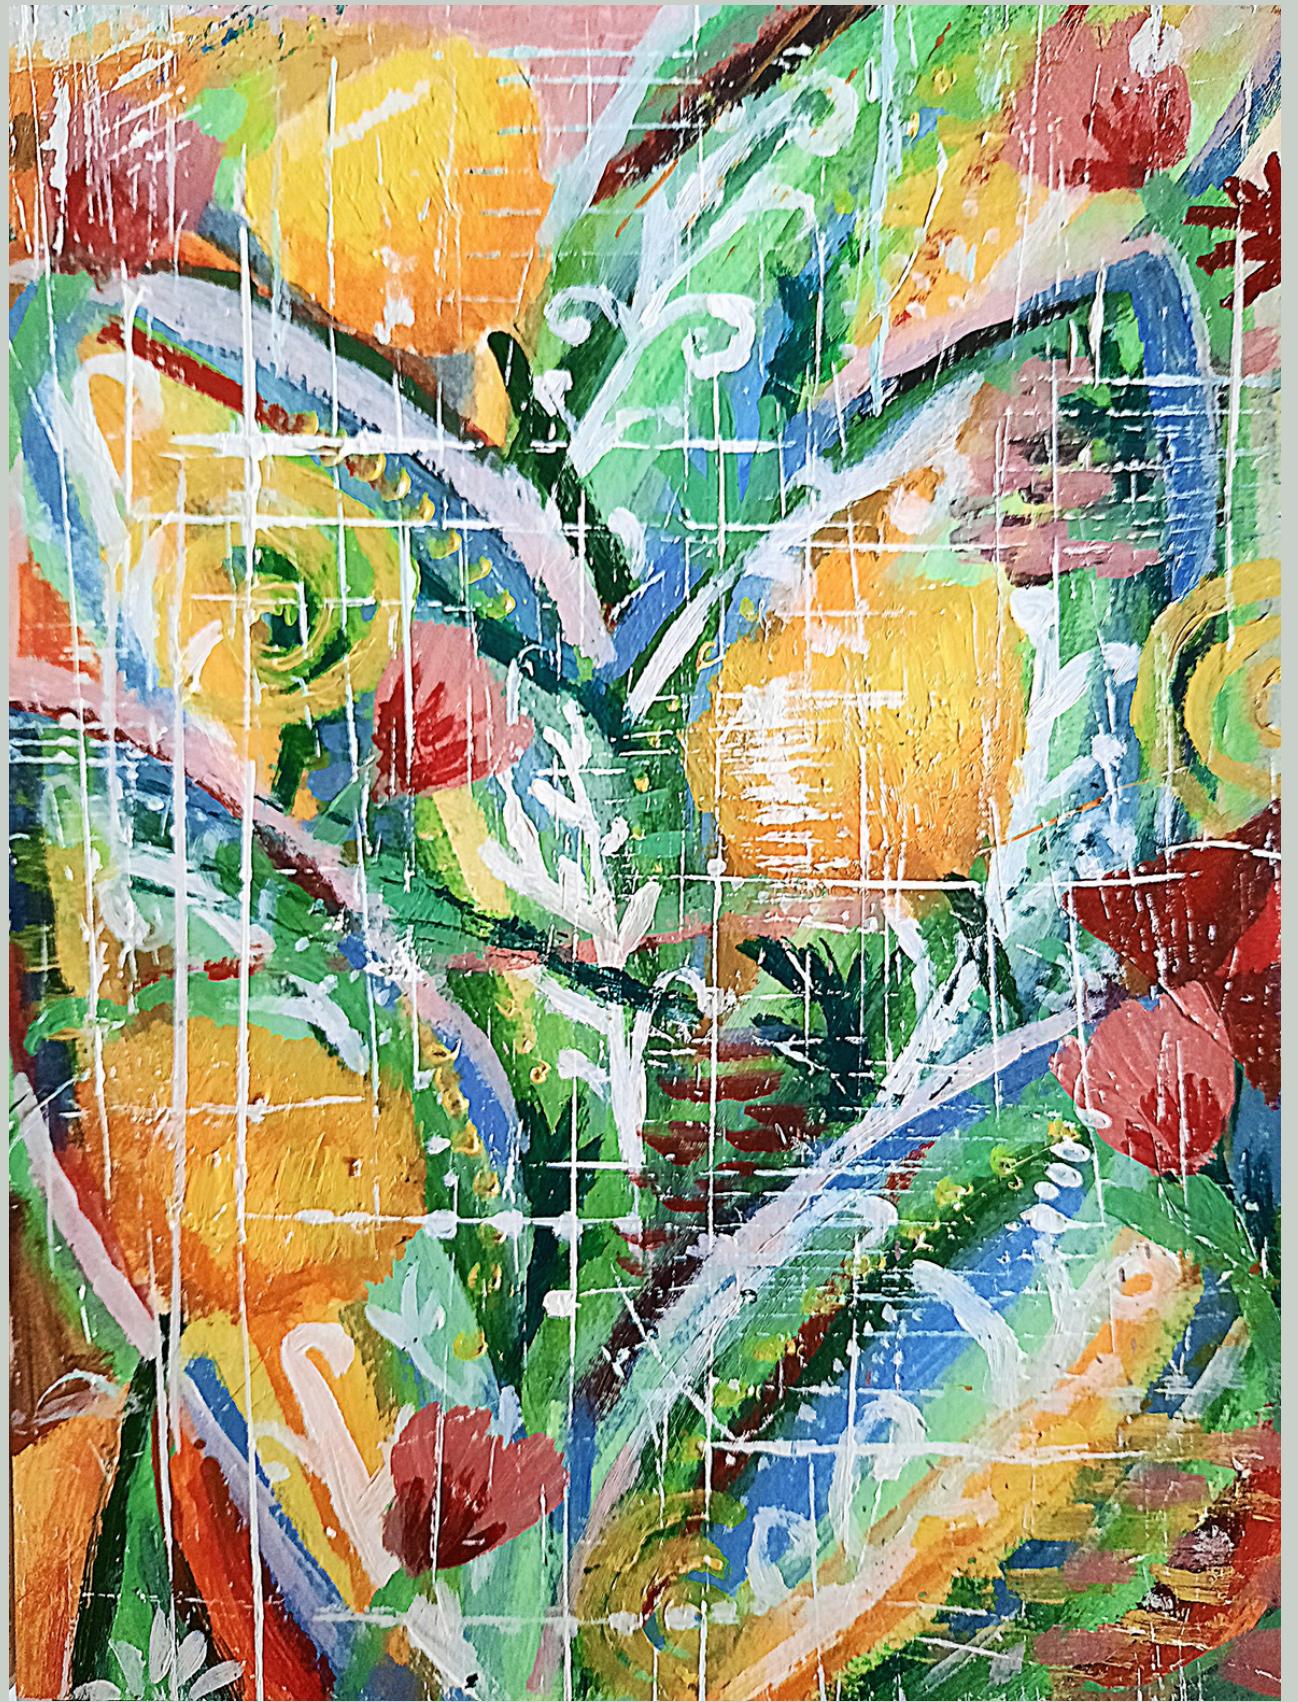

# Edit Photo

This is called photo manipulation to look like the real thing, actually multiple objects combined into one using Adobe Photoshop.

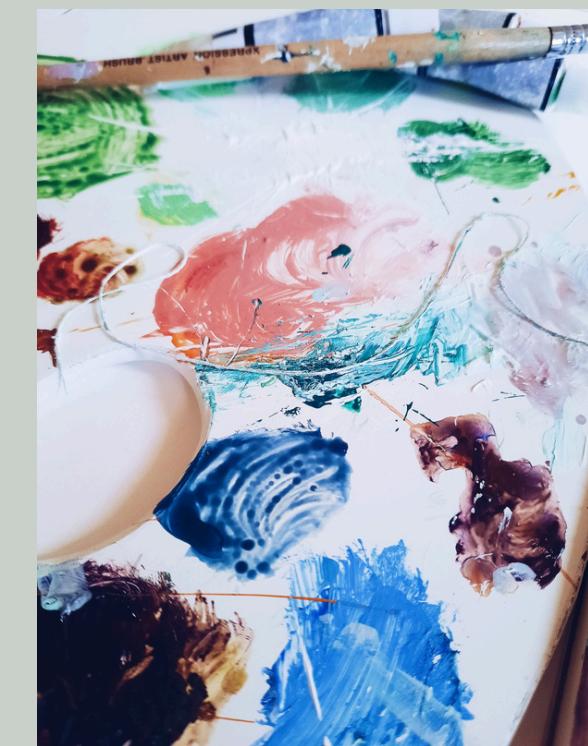

# Painting

2023

## Crushed Flower

This painting is titled crushed flower which is to evoke when sadness dissolves. crushed wounds become scars that cannot be covered. the scars seem to still exist in you trying to express it indeed no one is perfect, from that learning must fix and love yourself looks like a beautiful flower.

## The sea beyond loneliness

This is a painting of a seascape filled with the colour blue which is a symbol of serenity. learn to be grateful in living life even in small things. A dream filled with the colour blue can go to the sea will make you comfortable.

Film Pendek "Aku Bisa"

Short Movie

Aku Bisa

Watch on YouTube

Share

This film was directed by me with the help of my high school friends who had participated in a short film competition entitled "Aku Bisa" which tells the life journey of a deaf person. This film does not use the method of conversation, but through depiction.

**Thank  
you.**
